

Program

UZWATER

Visit to Uppsala University, KTH and University of Latvia 4-15 May 2014

Aim and objectives of the visit

The visit in May is organised to make last preparations for starting the master programme at the Uzbek partner universities (WP3 Implementation of the Master Programme at partner Universities; 3.1 Teachers trained at EU partner universities). *We will do the following:*

1. The EU partners responsible will summarise the work made (by all project partners) with Syllabus for each of the 15 core courses.
2. The EU partners will summarise the work made (by all project partners) so far with material for each of the 15 core courses.
3. The EU partners will introduce master programmes presently run at their universities.
4. The EU partners will organise possibilities to visit education at their universities.
5. The Uzbek partners will describe how the master programme has been prepared at their universities (e.g. the status of centres and communication facilities).
6. The Uzbek partners will describe exactly which course will be offered from September 2014 at their universities.
7. The visit of EU partners to Uzbek Universities in September will be planned (WP 3.2 Intensive teaching periods by EU teachers).
8. Pedagogics and teaching methods will be discussed and experience exchange.
9. Uzbek partners will describe which Baltic University Publications, and in which numbers, they wish to add to what they already have. Please find out what you already have up to now!

Please prepare yourself accordingly and bring all material, which is of relevance for the meetings. Thank you.

Sunday 4 May		
11.00	Arrival to Arlanda – Taxi pick up; Transport to Hotel Uppsala	
12.00	Check in at Hotel Uppsala; lunch rest	
16.30	Meeting; Introduction to Sweden, Uppsala and Uppsala University (Lars Rydén)	Conference room Hotel Uppsala
18.00	Guided walk in Uppsala	
19.00	Dinner on invitation of Uppsala University	
Monday 5 May		
09.00	Preparation of the master programme at partner Universities in Uzbekistan (partners from Uzbekistan)	CSD Uppsala Villavägen 16
10.30	Coffee/Tea	
10.45	Preparation of the master programme at partner Universities - cont	
12.00	Lunch	
13.15	Visit the course “Climate change leadership” at CEMUS of CSD	Cemus library
14.30	Coffee/Tea	
15.00	Skype with Sardor Khodjanizoy and Nurulla Zikrillaev. Progress in the development of UZWATER study Module B (Lars Rydén)	BUP Library
16.30 – 17.30	Development of home page for Uzwater and each partner university (Christian Andersson).	BUP Library

Tuesday 6 May		
09.00	Progress in the development of UZWATER study Module C: Water Management (Linus Kliuininkas)	BUP Library
11.00	Coffee/Tea	
11.30	Presentation of the master of sustainable development at Uppsala University and Swedish University of Agricultural Sciences (Sebastian Welling)	BUP Library
12.30	Lunch	Uppsala
13.15	Master program in Geology Lecture on Geological history (Åsa Frisk)	Stuffen Geocentrum
14.30	Coffee/Tea	BUP Library
15.00	Distance education with Minsk	BUP Library
15.30 – 17.30	Skype meeting with Sardor Khodjaniyazov and Nurulla Zikrillaev. Common discussion on teaching and learning methods. Discussion on preparation for intensive teaching by EU teachers.	BUP Library
Wednesday 7 May		
09.00 - 12.30	Time at disposal for activities requested by participants	
12.30 - 14.00	Check out from hotel Lunch	
15.11	Departure by train from Uppsala Central Station	
15.49	Arrival to Stockholm Central Station	
Appr. 16.15	Check in at STF Gärdet Sandhamnsgatan 59 A +46 8-463 22 99	
17.30	Departure for dinner	STF Gärdet
19.00 – 21.00	Lecture on the Aral Sea Hydrology by Dr Rebecka Törnqvist <i>Basin-scale change in water availability and water quality under intensified irrigated agriculture in the Aral Sea Drainage Basin</i> (organized by Swedish Aral Sea Society)	Stockholm International Water Institute, SIWI, Linnégatan 87 A, Stockholm
Thursday 8 May		
8.30 – 9.00	Welcome to KTH – Introduction to and discussion of the visit program (Björn Frostell and Lennart Johansson)	Teknikringen 34
9.00 – 10.00	Introduction to Systems Thinking & a Pressure-oriented Approach to Water Management (Xingqiang Song)	Teknikringen 34
10.00 – 10.15	Break	
10.15 – 11.00	Part 1a – Master program development – Presentation of the Uzbek progress in Master program and course development (representative from the Uzbek delegation)	Teknikringen 34
11.00 – 11.30	Part 1b – Course syllabus development - Research Methodology and Theory of Science - Presentation of the course syllabus (Björn Frostell and Xingqiang Song)	Teknikringen 34
11.30 – 12.30	Lunch	Rest. Quantum
12.30 – 13.30	Part 2a – Uzbek progress in Master Thesis project planning (representative from the Uzbek delegation)	Teknikringen 34
13.30 – 14.30	Part 2b – Implementation of Master Thesis project – Presentation and discussion of Master Thesis project procedures at KTH (Björn Frostell)	Teknikringen 34
14.30 – 15.00	Break	
15.15 – 17.00	Part 1c – Course syllabus development – Presentation and discussion of Uzbek expectations on the course Research Methodology and Theory of Science as well as on the implementation of Master Thesis work (representative from the Uzbek delegation)	Teknikringen 34
19.00 -	Social Dinner	
Friday 9 May		
9.00 – 10.00	Part 4a – Examples of Master Programs - Presentation of the Master Program Sustainable Technology at KTH (Monika Olsson, KTH-Industrial Ecology)	Teknikringen 34

10.00 – 10.15	Break	
10.15 – 11.30	Part 4b – Examples of Master Programs - Presentation of the Master Thesis program Environmental Engineering Sustainable Infrastructure	Teknikringen 34
11.30 – 13.00	Lunch	Rest. Quantum
13.00 – 14.30	Part 3 – Examples of Pedagogics , Lecture on <i>Pedagogics for Education in Wastewater Treatment and Cleaner Production in Industry</i> (Per-Olov Persson KTH-Industrial Ecology)	Teknikringen 34
14.30 – 14.45	Break	
14.45 – 16.30	Part 1d - Course syllabus - Research Methodology and Theory of Science - Improvement discussion of the draft course syllabus (Björn Frostell, KTH – Industrial Ecology and Lars Ryden-Uppsala University)	Teknikringen 34
16.30 – 17.00	Concluding discussion – what was learnt, what was missing? (Björn Frostell, KTH – Industrial Ecology)	Teknikringen 34
19.00 -	Dinner	

Preliminary program – Saturday 9 May and Sunday 10 May

Saturday	Free day: Sightseeing in Stockholm <ul style="list-style-type: none"> • The Nobel Museum • The Åhléns department store • The KTH student Carnival • The Täby Centrum shopping mall 	
Sunday 17.00	Departure by ferry to Riga (Viktor vet)	Värtahamnen

Expected preparations from the Uzbek delegation during KTH visit

1. To prepare and mutually discuss a 30 min presentation of progress in Master program course development among Uzbek universities.
2. To prepare and mutually discuss a 30 min presentation on progress in Master Thesis implementation in the planned programme(s).
3. To mutually discuss and prepare a list of expected revisions in the KTH contribution to the programme (i.e. the course Research Methodology and Theory of Science plus implementation of a Master Thesis)

Preliminary Program in Riga

Monday 12 May		
11.00	Arrival to Riga, accommodation at the hotel	
12.00-13.00	Lunch After Lunch K..Abolina meets in hotel "Tia"	
13.00-15.00	Welcome to University of Latvia. Dean of Faculty prof. O. Nikodemus. Master studies at University of Latvia prof. V. Melecis room 304 Doc. J. Zaloksnis	University of Latvia Room 304
15.00 – 18.00	Progress in the development of UZWATER study Module A: Environmental Science Doc. J. Zaloksnis, Doc. K. Abolina	
19.00	Dinner	
Tuesday 13 May		
09.00 - 11.30	Laboratory classes in water resource management, L.Ansona, L.Klavina, Doc. J. Zaloksnis	Room 308. Room 104
11.30-12.30	Use of GIS in Water resources management L. Gustina	Room 311
12.30 -13.30	Lunch	
13.30 - 15.30	Visit to main building of University of Latvia. Information about education system, guided tour Head of Department of Foreign relations A.Grzibovska 29409281	
15.30 - 18.00	Free time	
19.00	Dinner	BUP Library
Wednesday 14 May		
09.00 - 12.30	V Biodiversity and water resource management (excursion) K. Abolina, I. Silamikele Departure from hotel	Departure from hotel
12.30 – 13.30	Lunch	
13.30 - 15.00	Common discussion Doc. K. Abolina Doc. J.Zaloksnis	Room 304
15.30 – 18.00	Common discussion	
19.00	Dinner	
Thursday 15 May		
09.00 - 12.30	Individual appointments/Visiting Riga	
12.30 – 13.30	Lunch	
13.30	Check out from hotel - Departure to Moscow-Tashkent
